

PAN PASTELS

Supply List

SUPPLIES USED IN CLASS

This is a list of supplies I used in class - There are a few supplies that you need like the Pan Pastels themselves and the pastel paper, other than that I want you to get creative and do some testing of the supplies you might already have to mark make and have some fun. (Some of the links are affiliate links. If you use my link, I get a small commission, which will go toward my art supplies and to support this channel! I appreciate your support 🥰)
